As presented by (the spirit of) Cass (Elliot)

39. Sing your song, even if you're tone deaf. If you won't do it, who will?
40. Tell people you love them and that they matter to you. If you leave the scene a little early, it's what they will remember about you.
41. You decide what's best for you, not your manager, not your boss, you.
42. Be patient with yourself. If you can do this, you can be patient with others.
43. There's always going to be someone thinner, someone younger, someone better looking, but there's never going to be another you. Trust me on this one folks! God broke the mold on each and everyone of us, hands down.

*End Time: 7:24pm*

44. A little whisky never hurt nobody.
45. Live like there's no tomorrow because there may not be one. Make today count.
46. Get out of your own way. Stop being your worst critic and start being your biggest fan. Love all of the things that are loveable about you and trust me, there are plenty. More than you realize. Take this from a girl from Texas, one who has 20:20 vision now, buster.

*End Time: 7:33pm*

## Chapter Thirteen

*Wednesday, June 30, 2021 8:59am*

As presented by (the spirit of) Tupac (Shakur)

47. You don't get to do anything over again. What's done is done. Try to understand why it happened the way it did and then let it go.
48. Instead of saying "look at me", say "what can I do for you?" It's not about me. It's about us, each and every one of us.
49. Don't cringe when you look back at old photos of yourself. That was the best version of you that you could have possibly been at that time, even if it was hard and self-serving. We all have to start somewhere.

*End Time: 9:07am*

## Chapter Fourteen

*Wednesday, June 30, 2021 9:08am*

As presented by (the spirit of) Whitney (Houston)

50. So I can sing. What's the big deal? Don't focus on strengths and talents others have. Focus on your own strengths.
51. Family and friends are everything. Take care of them. Don't burn any bridges. Just keep building them.
52. When you say you're sorry, really mean it by doing better next time.
53. If you ever get an award or even a compliment, be sure to give it to yourself or it won't mean a damn thing.
54. Don't buy those magazines at the checkout counter. They only make people like me, think that what others think of you, matters. This message is the opposite of what we need.

*End Time: 9:18am*

## Chapter Fifteen

*Wednesday, June 30, 2021 2:12pm*

As presented by (the spirit of) Selena (Quintanilla)

55. You don't have to be on a stage. Give to whoever is standing nearby.
56. Singers can channel their own divine energy but so can anyone. In fact, it's easier if you aren't a singer. It doesn't have to be a big production number.
57. People like to see others who look like them, succeed. We need to stop seeing ourselves in only ones who look like us, and start to see ourselves in people who don't.
58. Don't wait until the funeral. Pick up the phone right now.
59. Beauty is in the eye of the beholder, but what is truly beautiful about each of us cannot be seen, but it can be felt.
60. Having money isn't a bad thing. It's better than not having it. If you have any, spread it around generously. It's to share.
61. Invest some time and energy in getting to know those from different backgrounds and cultures. It's always a good thing for all involved.

62. Fame isn't all it is cracked up to be.
63. Money is a double edged sword. It can't buy you any friends and if you use it on drugs and alcohol, it will lead to your own demise, one way or another.
64. Enjoy the simple things in life. There are the things you will miss the most, not the jets and the limousines.
65. Tell people in your life how much they mean to you. Don't let them wonder about it after you're gone.
66. Eat your ice cream now and enjoy every bit of it.

68. I didn't see God much when I was there, but my advice to whoever is reading this, is to find God everywhere you look. It will make your journey easier and truer.
69. I liked making people happy with my music. I still do. Music is the great healer of all time.

## Chapter Twenty

*Thursday, July 1, 2021 1:00pm*

74. Stay in tune. Be an instrument that God can make beautiful music through.
75. Respect where others are on their journeys. They may not make the same choices that you make, but that's okay. All roads lead to God, even the disastrously rocky ones.
